Ingenious Broadcasting 2015/16

Please review the risk warnings below before considering any investment

Minimum investment: £50,000

Suitable for: Enterprise Investment Scheme, Personal
Projected tax free returns of between 8% and 16% p.a.

We are delighted to present Ingenious Broadcasting 2015/16, providing clients with the opportunity to invest in a portfolio of companies developing and producing independent television programmes.

Since its launch in 2006, our Ingenious Broadcasting service has gone from strength to strength, gaining significant traction in the market and backing the production of television programmes such as *The Fall*, *Jonathan Strange & Mr Norrell*, *Frankenstein's Chronicles* and *Teletubbies*.

We have an aggregate fundraise to date now exceeding £400m and a track record of successfully producing over 140 television programmes totalling over 550 hours. Blue-chip production and distribution partners include World Productions, Hat Trick, Mammoth Screen, Red Planet, DHX, BBC Worldwide, ITV Studios Global Entertainment and Endemol Distribution.

Ingenious Broadcasting has capitalised over 200 companies and all 130 companies that have reached their three year anniversaries have returned, or are on track to return, funds to investors within six months. These companies have generated net average annual returns ranging from 4% to 12%. Please note that past performance is not a guide to future performance, your capital is at risk and you may get back less than you invested.

Your financial adviser will offer guidance on whether Ingenious Broadcasting 2015/16 is the right solution for you. However, if you have any questions in the meantime, please contact us on 020 7319 4291 or hello@theingeniousgroup.co.uk.

Any decision in connection with an investment in Ingenious Broadcasting 2015/16 should be made only on the basis of information contained in the Brochure and Investor Agreement. If you are in any doubt about the content of the Brochure, the Investor Agreement and/or this website and/or any action you should take, you are strongly recommended to seek advice immediately from a financial adviser authorised under the Financial Services and Markets Act 2000 (FSMA) who specialises in advising on opportunities of this type.

Nothing on this website or in any document available on it constitutes investment, tax, legal or other advice by Ingenious Capital Management Limited or Ingenious Investments (a trading division of Ingenious Capital Management Limited) and your attention is drawn to the section headed 'Risk Factors' in the Brochure. The services provided by the Ingenious Investments will not be suitable for everyone.

Any references to tax laws or levels in the Brochure or this website are subject to change. Investment involves a high degree of risk. The level of returns and the availability and timing of relief for investors may be impacted by:

- Returns generated by the investee companies from their involvement in entertainment projects
- An investor's tax position and changes to legislation
- The availability of investment opportunities for Ingenious Media and the EIS qualifying status of investee companies
- Tax rules, levels and regulations are subject to change and the availability of tax reliefs will depend upon individual circumstances

Past performance is not a guide to future performance and may not be repeated. The value of an investment can go down as well as up and you may not get back the full amount invested. You should consider an investment in the Service as a medium term investment. Investments made by Ingenious Media are likely to be illiquid.

Issued by Ingenious Investments, a trading division of Ingenious Capital Management Limited, 15 Golden Square, London W1F 9JG, which is authorised and regulated by the Financial Conduct Authority.
